6 Begin using NetBenefits

After you log in with your new account username and password, and update your email address, email preferences, and mobile phone number, you can:

- Enroll in your plan, if you haven't already
- Check your account balances
- Update how much you set aside to save from your paycheck
- Make changes to your investments
- Visit the Planning & Guidance Center and set up important financial goals, such as saving for retirement, college, and other personal goals (e.g., buying a home)
- Access educational resources in the NetBenefits Library to improve your financial know-how on a wide range of topics (Social Security, loans, budgeting, etc.)

7Select a security question

Once you log in, you will be prompted to set a security question in case you ever forget your password.

You can reset it after Fidelity verifies your identity using your new or updated security question and answer.

Pick a security question you can easily answer and enter your answer.

- Answers must be between 3 and 31 characters
- Answers are not case sensitive

Select Submit.
